

MultiFlex

Powerful Cleaner for Anilox
Rollers and Plates.

Use when everything fails to clean!

Removes all if not most water/ solvent based inks off anilox rollers.

- Eliminates need to multiple cleaners
- Use for Water, Solvent, and UV inks
- Use by hand or ultra-sonic tank

Directions of Use:

Roller Wash by Hand: Apply over entire roller and rub in. Use on a just washed or clean anilox. Apply a small amount onto razor sponge or towel into stained areas, rubbing well. Continue applying to entire anilox. Rise off with water.

Ultra-sonic Tank: Add anywhere from 1 to 12 parts water to ultra-sonic tank.
